CRISIS

MANAGEMENT PLANNING

YOUR BUSINESS CONTINUITY PLANNING GUIDE

The primary purpose of the "Crisis Management Planning: Your Business Continuity Guide" is to equip managers, HR professionals, and leaders with the essential skills and knowledge required to develop and implement effective business continuity and crisis management plans (BCP) for their organizations. Participants will learn to identify potential risks, assess business impacts, develop crisis response plans, and lead their teams through crises.

This 2-day training program will focus on both strategic and practical approaches to managing crises, with a special emphasis on the role of leaders in ensuring organizational stability and employee well-being during disruptions.

Business Continuity & Crisis Management

- Safety Workplace Management
- Standards and Regulations
- Hazards in the Workplace
- Safety Control Measures
- Health Control Measures
- Safety Management Systems
- Enhancing Safety Culture
